Dear members, colleagues, and friends,

We wrote to you in March this year about the above seminar. This will start at 1.30 pm with Registration and refreshments. The speeches/ presentations will commence at 2.00 pm. A number of distinguished speakers will contribute to the presentations, including Dr Fouad Baban, from Kurdistan, who has been closely involved with victims and survivors of Halabja massacre at medical and humanitarian levels.

This seminar is open to all those interested in important matters related to our mother nation, not just members of KuMA or KSA. So please inform all those whom you feel would be keen to come.

We look forward to seeing you.

Dr Rizkar Amin  
Chair of KuMA Council

Dr Jamal Ameen  
Chair of KSA Committee
